

LOUISE A. LARAMÉE, MD, FRCP(C)

Dr Laramée received her medical degree from the University of Montréal. Following her specialty training in Internal Medicine and in Cardiology in Ottawa, she completed a Fellowship in Coronary Angioplasty and Acute Intervention in Myocardial Infarction at the Mid America Heart Institute in Kansas City. She then joined the division of Cardiology at the University of Ottawa Heart Institute where she continues to work in Interventional Cardiology. She is very involved in teaching clinical skills to medical students at the Faculty of Medicine of the University of Ottawa. She has just been named to the Distinguished Teacher Program at the University of Ottawa and is a recipient of the 2011 Merit Award of the Canadian Association of Medical Education. Her academic interests include interventional cardiology, cardiovascular health and disease prevention, women's heart health, gender issues, and medical education and she has served on numerous committees serving these interests as well as Examiner's boards.
